Welcome

Dia dhuit | Kia ora | Hello

On behalf of Wellington/Hutt Valley GFHA, I warmly welcome you to Awakairangi Park for the 2022 Wellington Sevens tournament.

After a disruptive couple of years due to COVID-19, we're delighted to be back hosting a national tournament. Seventeen teams have entered the tournament – a clear sign that Gaelic games in New Zealand are thriving and that the desire for our games is strong.

I'm sure all teams will do their best to win over the weekend, but, as we're easing back into competition post-COVID, I'd like to emphasise that this weekend is, first and foremost, about the social aspect and connecting as a New Zealand Gaelic games community.

Also, as you may have seen, this weekend the GAA are holding a 'Respect the Referee Day'. We will be observing this initiative over the weekend. So please, show some respect to our volunteers with the whistle.

Finally, I'd like to thank everyone who rolled up their sleeves and organised the weekend: especially our hard-working and dedicated committee and coaches; our tournament sponsors, the Irish Trust; and to you, the players and management teams, for travelling from across the motu to play in the tournament.

Best of luck on the field and we hope you have an enjoyable Labour weekend in the capital.

Mise le meas | Ngā mihi | Best regards
Davey Rynne
President, Wellington/Hutt Valley GFHA

General information

Information desk

Our dedicated team of tournament organisers are available at the information desk over the weekend. They'll be keeping fixtures running on track, recording scores and generally ensuring everything is running smoothly. If you have any queries, just come and say hello and they'll do their best to help out.

Kids exhibition game

A kids exhibition game will be played on Sunday at 10.30am to showcase the up-and-coming talent on the New Zealand Gaelic games scene. If you're bringing any kids with you, they're welcome to join in.

Food and amenities

We will have our club BBQ running from about 12pm on Saturday serving up some basic fare. This will be free of charge for players and supporters. Other options for food would be to head into Upper Hutt which is a short car journey. We recommend bringing along fruit and veg, and probably a packed lunch if a BBQ isn't for you.

Presentations and night out

Presentations will take place on the pitch after the last match on Sunday. Once the on-field activities conclude we'll be heading back to [JJ Murphy's Bar](#) in Wellington to continue the celebrations late into the night.

What's happening

Australasian State Games champions

Our women's footballers created history in Melbourne on Saturday 1 October when they won the Australasian State Games intermediate tournament, defeating South Australia 8-9 (33) to 3-11 (20) in a cracking final.

It's an absolutely amazing achievement from a fantastic group of players. We've competed at the games on and off since 1988 and this is our first piece of silverware at the tournament in those 34 years. You can read a full round-up of the tournament [here](#).

What's happening

Social Gaelic games

Wellington Social Gaelic games are social nine-a-side tournament run weekly during the summer months – from November to February – in Ian Galloway Park, Karori. The tournament is fun, friendly and suitable for all levels of experience.

It's a great opportunity for beginners, or for people who wish to rekindle their love with our national games. We also have a go at hurling and, following the games, we like to socialise with a beer and a sausage from the BBQ.
